EMERGENCY AND DISASTER RESPONSE

DEPARTMENT OF DISASTER MANAGEMENT AND EMERGENCIES (DDME)

The **Department of Emergency Management** is the government department responsible for managing all hazards and disasters the islands are vulnerable to. During an actual emergency the department is responsible for providing warning and coordinating the response and support to government departments and private sector recovery efforts.

The Department Disaster Management and Emergencies does not offer MHPSS Services as it primarily serves as a coordinating mechanism in disasters. They may make referrals to other agencies as needed.
